Toreros Looking for Continued Success

The Seniors

The University of San Diego women's soccer program enters its sixth year of NCAA Division I competition. Improvement has occurred steadily and the future is bright with the program's sights on moving even higher into the national rankings. Last year the Toreros finished with their best season ever, going 14-6-1; finishing an impressive third in the highly competitive West Coast Conference; and made a Second Round appearance in the NCAA's, with a first-round upset over Texas A&M before dropping a hard-fought 1-0 loss at the University of Maryland. USD finished the year with a national ranking of 15th.

Individually, senior midfielders Michele Kennedy and Amy Goaziou, along with senior keeper Alison Worden, were selected First Team All-West Coast Conference. Named to the Second Team were seniors Michelle Bush (D), Monica Costello (MF) and Amy Gutowski (MF), along with returner **Vanessa Thiele**. All in all, the 1996 campaign was a great step for the up-and-coming Torero soccer program.

The challenge for first year coach **John Cossaboon**, who took over for Tony da Luz (current head women's soccer coach at Wake Forest), is to replace last year's eight seniors lost to graduation. From a quality group of returners, Coach Cossaboon will look to a pair of sophomores for leadership -- defender **Heather Swanson** (Irvine, CA) and midfielder **Vanessa Thiele** (West Hills, CA). They will be called upon to stabilize a young defense and add to the team's attack. Other returners with experience that will add strength to the program are seniors **Dorie Flynn** (D, Kentfield, CA) and **Amy Sutton** (MF, North Hills, CA); junior forwards **Nicole Gorton** (Jamul, CA) and **Aimee Wagstaff** (Kansas City, KS); and sophomores **Jessica Crothers** (F, Mesa, AZ), **Michelle Kallas** (F, Torrance, CA) and **Adrienne Regrutto** (D, Tucson, AZ).

Seven incoming players will be counted on to step in and contribute immediately -- junior forward **Sherice Bartling**, a transfer from UCLA, should add some offensive punch, along with freshman forward **Gina Poltl** (San Diego/San Diego Surf); freshman **Stephanie Lappen** (Los Gatos HS) spent her senior year playing in the very competitive Norwegian 1st division while studying abroad; freshman **Claire Currie** (Downey, CA/Santa Anita Strikers), will be an offensive threat as a midfielder or forward; freshmen **Christine Piper** (Tempe, AZ) and **Tricia Gordon** (Woodinville, WA) will both add great speed and ability on defense; and freshman **Whitney Peterson** (Denver, CO/Club Columbine) will be counted on as the team's keeper.

The '97 Toreros will be very young but also fast and exciting. Coach Cossaboon, who isn't viewing 1997 as a rebuilding year, plans for the program to continue its growth and improvement.

The University of San Diego

Setting

The University of San Diego is an independent Catholic institution of higher education. Founded in 1949, USD is located on 180 acres overlooking Mission Bay, San Diego Harbor and the Pacific Ocean. The campus is named Alcalá Park and is located just 10 minutes from downtown San Diego. The campus was named after a Spanish village near Madrid - Alcala de Henares. Founded by the Greeks as Complutum, the village was later renamed Al Kala (the Castle) by the Moslems. Christians recaptured the village centuries later and founded a university whose buildings became the inspiration for USD's style.

The Campus

The USD campus is regarded as one of the most architecturally unique institutions in the country, featuring 18 major buildings designed in an ornamental 16th century Spanish Renaissance style.

Since 1984, USD has completed nine major construction and expansion projects. A landscaped fountain plaza was finished in the fall of 1995, connecting the entrances of the Immaculata and Hughes Administration Center. In 1992, the university completed the 45,000 square foot Loma Hall, which includes an expanded bookstore, a larger mail center, classrooms and laboratories. In 1990, the renovated Katherine M. and George M. Pardee Jr. Legal Research Center opened, a facility that offers the latest in information technology.

Student Life

Student activities include cultural events, dances, boat cruises, beach parties, BBQ's, concerts, comedy nights, symposia and much more. Students participate in a wide range of volunteer projects such as adult literacy tutoring, senior citizen outreach, and house building in Tijuana. The intramural program is also an integral part of student life on campus with over two-thirds of the USD community partaking in intramural sports.

Athletics

The University of San Diego is a member of the West Coast Conference for nearly all sports and competes in 16 intercollegiate sports on the NCAA Division I level. The football team will begin its fifth season in the Pioneer Football League. Women's sports include: basketball, crew, cross country, soccer, softball, swimming, tennis and volleyball. Men's sports include: baseball, basketball, crew, cross country, golf, football, soccer and tennis. Since 1990 USD teams have won four conference championships; made 15 post-season appearances; had twelve Conference Coaches of the Year; ten Conference Players of the Year; ten Conference Freshmen of the Year; three WCC Scholar Athletes of the Year; and 17 NCAA All-Americans. This past year, Heidi Ambrose, a senior on the women's basketball team, was selected the school's Valadictorian after achieving a perfect 4.0 g.p.a. in BioChemistry throughout her four years. She plans to attend Medical School this Fall.

Academics

USD enrolls more than 6,600 students who have a choice of more than 50 undergraduate and graduate degree programs. The university's academic units include the College of Arts and Sciences, and the Schools of Business Administration, Education, Law and Nursing. Class size generally averages between 18-25 students with the student to teacher ratio being 18:1. Over 97 percent of USD's full-time faculty hold doctorates.

In the annual ratings of the country's colleges and universities, published by *U.S. News & World Report*, USD moved from the regional to national category in 1994. The university is ranked among the top 100 schools in the nation.

Did You Know?

- The University of San Diego was selected by the John Templeton Foundation for its 1997-98 Honor Roll of Character-Building Colleges. The honor roll recognizes 135 four-year accredited undergraduate institutions that emphasize character building an integral part of the college experience. Foundation officials made special mention of USD's "Ethics Across the Curriculum," a campus-wide initiative funded with a two-year, \$138,000 grant from the E.L. Wiegand Foundation. USD is one of eight California colleges and universities named to the honor roll.
